

112TH CONGRESS
2D SESSION

S. 3424

To prohibit the sale of billfish.

IN THE SENATE OF THE UNITED STATES

JULY 24, 2012

Mr. VITTER introduced the following bill; which was read twice and referred
to the Committee on Commerce, Science, and Transportation

A BILL

To prohibit the sale of billfish.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Billfish Conservation
5 Act of 2012”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Billfish populations are severely depleted
9 and in need of greater protection.

10 (2) Billfish population declines are largely at-
11 tributable to overfishing by non-United States com-

1 commercial fishing fleets that harvest billfish as bycatch
2 while targeting other species.

3 (3) Commercial fisheries in the United States
4 do not target billfish.

5 (4) The current United States prohibition on
6 the commercial harvest and sale of billfish is limited
7 to Atlantic-caught fish.

8 (5) There are no existing conservation measures
9 that prohibit the importation of Pacific-caught bill-
10 fish.

11 (6) Billfish account for less than 0.1 percent of
12 the market value of United States seafood.

13 (7) The United States seafood market is highly
14 elastic and consumers have a large number of sus-
15 tainable seafood alternatives.

16 (8) Catch and release recreational angling for
17 billfish generates billions of dollars in economic ben-
18 efits to the United States economy each year.

19 (9) Prohibiting the sale of Pacific-caught bill-
20 fish in the continental United States will assist in
21 the recovery of billfish populations worldwide.

22 **SEC. 3. STATEMENT OF CONSTITUTIONAL AUTHORITY.**

23 The Congress enacts this Act pursuant to clause 3
24 of section 8 of article I of the Constitution.

1 **SEC. 4. PROHIBITION ON SALE OF BILLFISH.**
